WHO WE ARE

About Us

Joywan International Staffing Limited is a recruitment and staffing agency registered in Kenya under the National Employment Authority of the Ministry of Labour. We connect employers with reliable, well-screened manpower, and we support job seekers in finding dependable work opportunities both locally and abroad.

We work with small, medium-sized and large organisations across a wide range of industries. Our team takes time to understand each client's operations, culture and hiring goals, so that every placement is a genuine match and not simply a filled vacancy.

Our Approach

We listen to our clients' needs and customise our solutions to meet professional standards of practice while addressing each client's unique requirements. Our service is built on clear communication, careful screening and accountability from the first briefing to the final placement.

Our Vision

To become a regional recruitment and staffing company recognised for impactful and professional services that help our clients attain their organisational and personal development goals.

What We Stand For

Professionalism	We hold ourselves to recognised standards of practice in every engagement.
Integrity	We deal honestly and transparently with clients, partners and candidates.
Reliability	We deliver on our commitments, on time and to the agreed specification.
Partnership	We build long-term relationships that benefit everyone involved.

WHAT WE DO

Our Services

We offer three complementary service lines, which can be engaged individually or combined into a complete workforce solution.

1. Recruitment

We are experienced in manpower recruitment for small, medium-sized and large organisations. We carry out applicant screening and interviews on behalf of our clients, presenting only candidates who meet the requirements of the role.

- Job briefing and role profiling
- Applicant sourcing and screening
- Interviews conducted on behalf of the client
- Shortlisting and candidate presentation

2. Staffing

We maintain a ready pool of high-performing skilled and unskilled manpower available for deployment on long-term or temporary contracts, allowing clients to respond quickly to changing operational needs.

- Skilled, semi-skilled and unskilled workers
- Long-term and temporary contract placements
- Fast deployment from a ready talent pool
- Flexible arrangements to suit seasonal or project demand

3. HR Consultancy

We support organisations in building and managing productive teams through practical human resource solutions.

- Skills appraisals
- Employee training
- Payroll management solutions

Our Process

Every assignment follows a clear, structured path so that clients always know where their recruitment stands.

01	Consultation	We meet the client to understand requirements, terms and timelines.
02	Sourcing	We draw on our candidate pool and networks to identify suitable applicants.
03	Screening	We assess skills and suitability through interviews and checks.
04	Placement	Selected candidates are presented, confirmed and deployed.
05	Follow-up	We remain available to support both client and employee after placement.
